Re: John Granger v. Gill Abstract Corporation, et al.,
07 Civ. 03491

Dear Magistrate Judge Katz:

We represent the defendants in the above-referenced matter. During the pretrial conference on October 30, 2007, Your Honor granted defendants leave to file an amended pleading to join third parties Inertia, LLC and Drew Diskin to this action by November 9, 2007.

We write to respectfully request a short extension of time for defendants to file their amended pleading from November 9, 2007 to November 16, 2007. Before filing the amended pleading, it is necessary for defendants to communicate with the third parties to be joined in this matter. Defendants believe it will greatly facilitate the efficiency of this matter if the third party defendants are contacted prior to filing the complaint. Defendants have attempted to contact the third parties since the October 30, 2007 conference, but have been unable to speak with them, although it is expected that those third parties will contact defendants' counsel over the ensuing days.

Accordingly, it is respectfully requested that Your Honor grant defendants' request for a short extension of time to file their amended pleadings until November 16, 2007.
